

Sandstorm Gold Announces The Issuance Of Stock Options

Vancouver, British Columbia, November 25, 2011

Sandstorm Gold Ltd. ("Sandstorm" or the "Company") (TSX-V: SSL) announces that its board of directors have approved the issuance of 5,735,000 stock options. The options have a five year term and were issued after market close today, November 25, 2011, with an exercise price based on today's closing price. The stock options were granted pursuant to Sandstorm's Stock Option Plan and were issued to officers, directors and employees of the Company.

ABOUT SANDSTORM GOLD

Sandstorm Gold Ltd. is a growth focused resource based company that seeks to complete gold purchase agreements with companies that have advanced stage development projects or operating mines. A gold purchase agreement involves Sandstorm making an upfront cash payment to its partners and in exchange, Sandstorm receives the right to purchase a percentage of the gold produced for the life of the mine, at a fixed price per ounce. Sandstorm helps other companies in the resource industry grow their business, while acquiring attractive assets in the process.

Sandstorm is focused on low cost operations with excellent exploration potential and strong management teams. Sandstorm has completed gold purchase agreements with Luna Gold Corp., SilverCrest Mines Inc., Santa Fe Gold Corp., Rambler Metals and Mining plc, Brigus Gold Corp., Metanor Resources Inc. and Donner Metals Ltd.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

Except for the statements of historical fact contained herein, the information presented constitutes "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information is based on reasonable assumptions that have been made by Sandstorm as at the date of such information and is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Sandstorm to be materially different from those expressed or implied by the forward-looking information, including but not limited to: the impact of general business and economic conditions; the absence of control over mining operations from which Sandstorm will purchase gold and risks related to those mining operations, including risks related to international operations, government and environmental regulation, actual results of current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined; problems inherent to the marketability of minerals; industry conditions, including fluctuations in the price of metals, fluctuations in foreign exchange rates and fluctuations in interest rates; stock market volatility; competition; as well as those factors discussed in the section entitled "Risks to Sandstorm" in Sandstorm's annual report for the financial year ended December 31, 2010. Although Sandstorm has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Sandstorm does not undertake to update any forward-looking information that is contained or incorporated by reference herein, except in accordance with applicable securities laws. Sandstorm does not provide any representation as to its comparability with other companies in its industry including, but not limited to, Silver Wheaton Corp., Royal Gold, Inc., and Franco-Nevada Corporation.
